

Public Employee Benefits Alliance

PEBA would like to invite you and your staff to participate in a Webcast to discuss PEBA's upcoming HIPAA Security Risk Assessment Proposal, scheduled to be released in July 2009

WEBCAST INFORMATION:

When: Thursday June 18, 2009

Time: 10:00 am CT

Registration: To register for this Webcast at no cost, contact PEBA at peba@tmliebp.org or at (512) 719-6768. We will need your name and title, email address and employer/group name to reserve a space.

- The purpose of this HIPAA Security Risk Assessment Proposal is to engage an organization that will provide the PEBA membership with a security risk assessment of their information systems that house electronic protected health information, as defined under the Health Insurance Portability and Accountability Act (HIPAA) (Public Law 104-191).
- PEBA is looking for an organization that will look at the business, technical and physical aspects of the PEBA Employer.
- The goal is to have a cost-effective strategy and to develop a detailed risk management plan that meets the PEBA Employer's security requirements.
- Participation in the webcast is at no cost to the employer and does not obligate the employer to participate in the proposal, or purchase any products through PEBA.
